GET ICE OUT OF GWINNETT

DID YOU KNOW THAT ... The Gwinnett County Sheriff's Office deputizes local officers to do the job of ICE agents?

DID YOU KNOW THAT ... The Sheriff's Office often holds suspected undocumented persons for up to 48 hours after the time s/he would otherwise be released?

As a result of Gwinnett County Sheriff's Office policies:

- Families are being separated and children are put at risk
- All Gwinnett County residents are less safe because immigrant communities and people of color are less likely to report crimes
- Gwinnett County taxpayers have paid \$10 million and counting for ICE activities

NOW, it is more important than ever to get ICE Out of Gwinnett!
