NORCROSS, GA , October 17, 2015 — NORCROSS, GA - Asian Americans Advancing Justice - Atlanta released an automated phone call on Monday, October 26th urging Korean-Americans to vote in the upcoming November 3rd elections. The call went to all registered Korean-American voters in Suwanee, Johns Creek, and Brookhaven.

Municipal elections will take place across the state of Georgia next Tuesday, November 3rd. All three of these municipalities have significant Korean populations. However, last year only 17% of eligible Korean-American voters actually voted in Georgia.

It is important to vote in local elections and not just in Presidential elections. City Council members vote on issues like property taxes, home and business zoning, police accountability, road and traffic light maintenance, school issues, and more.

As part of the 10,000 Korean Votes Campaign, if more Korean-Americans were to vote, they could change policies in their local communities and advocate for legal changes such as ballots being translated into Korean. Korean-Americans have the power to decide city elections if they turn out to vote.

Voters can beat the lines and vote early through Friday, October 30th. Call Advancing Justice-Atlanta at 404-585-8446 between the hours of 10 AM and 6 PM or visit www.advancingjustice-atlanta.org for all of the early voting locations in your city.

Asian Americans Advancing Justice - Atlanta will be sending follow up automated phone call on Monday, November 2nd between the hours of 7:30 PM and 9:00 PM , so pick up the phone, stay on the line, and listen for details about how and where to vote.
